Abilities

Currently a 3D animator and video editor producing creative animation, motion graphics, and video content for The Boeing Company in Huntington Beach. I have the creativity, enthusiasm and technical ability to effectively contribute to animation projects.

Goals

After many years as an animator and producer in corporate video, I would like to bring my character animation experience gained from Animation Mentor to a studio that creates features or gaming.

Experience

Animator/Editor/Producer

The Boeing Company
January 2000 to present

Produce, shoot, edit and create animation for various internal/external communications, marketing and manufacturing video projects.

Avid Editor

The Walt Disney Company
Buena Vista Home Entertainment
July 1999 to January 2000

Worked with producers to create sales-force training and point-of-sales video content. Trained employee on engineering maintenance.

Producer/Director

Hughes Aircraft Company
July 1990 to July 1999

Began as a production assistant and quickly started producing proposal, marketing and training videos

Education

Animation Mentor

Emeryville, CA. June 2010

Advanced Studies in Character Animation
Curriculum included animation principles, body mechanics, advanced body mechanics, acting, and advanced acting.

Bachelor of Arts Degree, Communications

California State University, Dominguez Hills

Television Production and Minor in Audio
Recording and Music Synthesis

Software

Autodesk Maya and 3DS Max, Avid Media Composer, Adobe Premiere Pro, After Effects, Encore, Media Encoder, Apple Final Cut Pro X, Blackmagic Design DaVinci Resolve, Telestream Flip Factory and Vantage.
